1. Application for Watertreatment Products	1
2. Filter Systems	1
3. Sand Traps	2
4. Resin Traps	2
5. Separators	2
6. Nitrate Removals	2
7. Water Softeners	2
8. Dealkalizers	2
9. Degasifiers (PVC, PP, PVDF)	2
10. Neutralizers Equipment + Effluent Treatment	2
11. Metal Recovery Plants	2
12. Demineralizers – Deionizers	2
13. Galvanic Watertreatment Plants	7
14. Sugar Industry Demineralizers	7
15. Food Grade Demineralizers	7
16. Ultra Pure Water Demineralizers	7
17. Mixed Bed Deionizers	7
18. Condensate Polishing	7
19. Nano Filtration	7
20. Ultra Filtration	7
21. Reverse Osmosis	7
22. Systems for complete Bottling Plants	7
23. Dosing Plants	7
24. Contact Water Meters	8
25. Ozone-Systems	8
26. UV-Systems	8

## 1. Application for Wwatreatment Products

---

**A**partment Buildings  
Automobile Industries  
**B**eauty Shops  
Boiler Rooms  
Boiler Feed Water  
**C**hemical Manufacturing  
Car Washes  
College Campuses  
Country Clubs  
**D**airies  
**F**arms  
Factories  
Food Processing Plants  
**L**aboratories  
Laundromats  
**M**ilitary Bases  
Mines  
Motels  
Municipalities  
**N**uclear Industries  
Nursing Homes  
**O**ffice Buildings  
**P**esticides Industries  
Power Plants  
Public Pools  
**R**efineries  
Resorts  
Restaurants  
**S**chools  
Sugar Industries

## 2. Filter Systems

---

**A**cid Neutralizing Filters  
Activated Carbon Filters  
Automatic Backwash Filters  
Antracite Filters  
**B**ri-O-Lite Filters  
Bag Filters  
Backwash Filters  
Birm Filters  
**C**alcite/Corosex Filters  
Ceramic Filters  
Color and Turbidity Filters  
Cartridge Filters  
Control panels for filters  
**D**iatomite Filters  
Disposable Filters  
**F**ilter Ag  
**H**ydrogen Sulfide Removal Filters  
Horizontal Filters  
**I**ron and Manganese  
Removal Filters  
**L**ead Removal Filters  
**M**anganese Green Sand Filters  
Manganese Removal Filters  
Manual Backwash Filters  
**P**ortable Filters  
Pyrolux Filters  
**S**ulfur Removal Filters  
**T**aste and Odour Filters  
**V**ertical Filters  
**W**ell Water Filters  
**S**and Filters

### 3. Sand Traps

---

### 4. Resin Traps

---

### 5. Separators

---

Resin Separators

Sand Separators

### 6. Nitrate Removals

---

Commercial Nitrate Removals

Domestic Nitrate Removals

**IMAC**® Food Grade Resin

Type-HP 555

Nitrate Conversion Kit

Nitrate Removal Resin  
(Rohm and Haas)

Regeneration Salt

### 7. Water Softeners

---

**AMBERPACK**® Softeners

Automatic Softeners

Commercial Softeners

Industrial Softeners

**IMAC**® Food Grade Softener Resin

Manual Softeners

Residential Softeners

Regeneration Salt

Softener Conversion Kit

Softener Resin Cleaner

Softener TESTOMAT®

Softener Control Panels

Softening Instruments

### 8. Dealkalizers

---

**AMBERPACK**® Dealkalizers

Commercial Dealkalizers

Industrial Dealkalizers

Manual Dealkalizers

Dealkalizers Conversion Kit

Dealkalizers Control Panels

Dealkalization Instruments

Dealkalizers **TESTOMAT**®

### 9. Degasifiers

(PVC, PP, PVDF)

---

Blow Degassifiers

Ultra Pure Water Degasifiers  
(PVDF)

Vacuum Degasifiers

### 10. Neutralizers Equipment + Effluent Treatment

---

Dealkalizers Neutralizer (pH)

Effluent Neutralizer (pH)

Neutralizer Chemicals

Neutralizer Dosing Plants (pH)

Neutralization Instruments

### 11. Metal Recovery Plants

---

### 12. Demineralizers – Deionizers

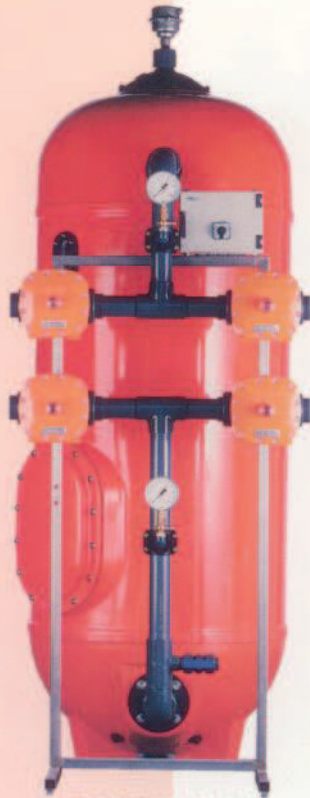

---

Automatic Demineralizers

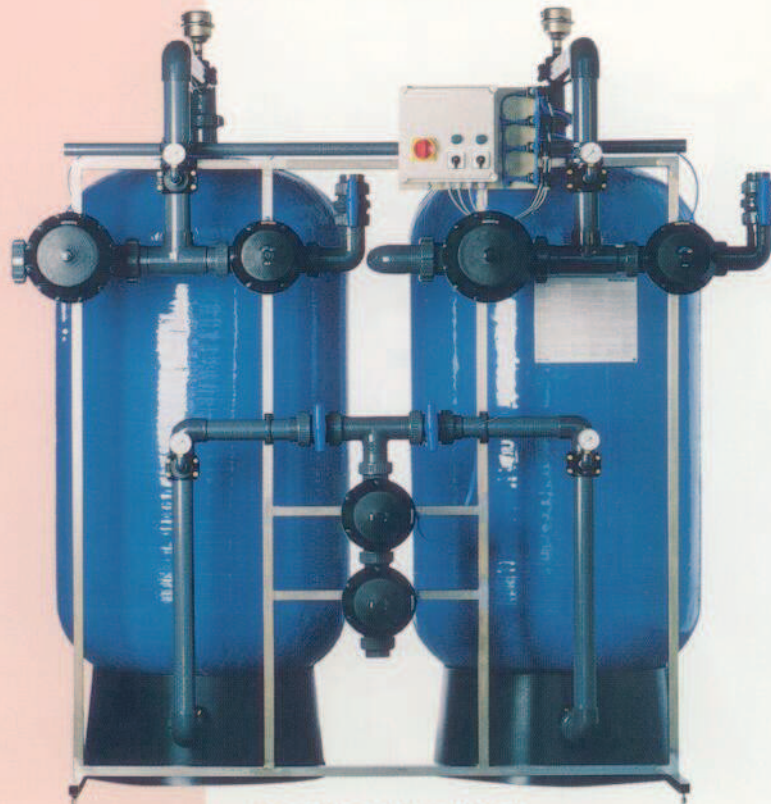

**AMBERPACK**® Demineralizers

Co-Current Demineralizers

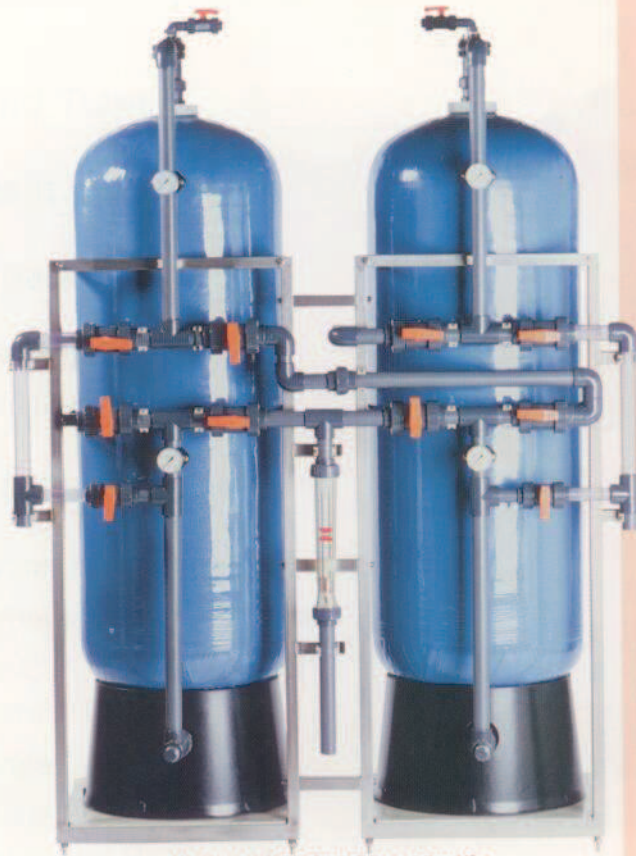

Counter Current Demineralizers

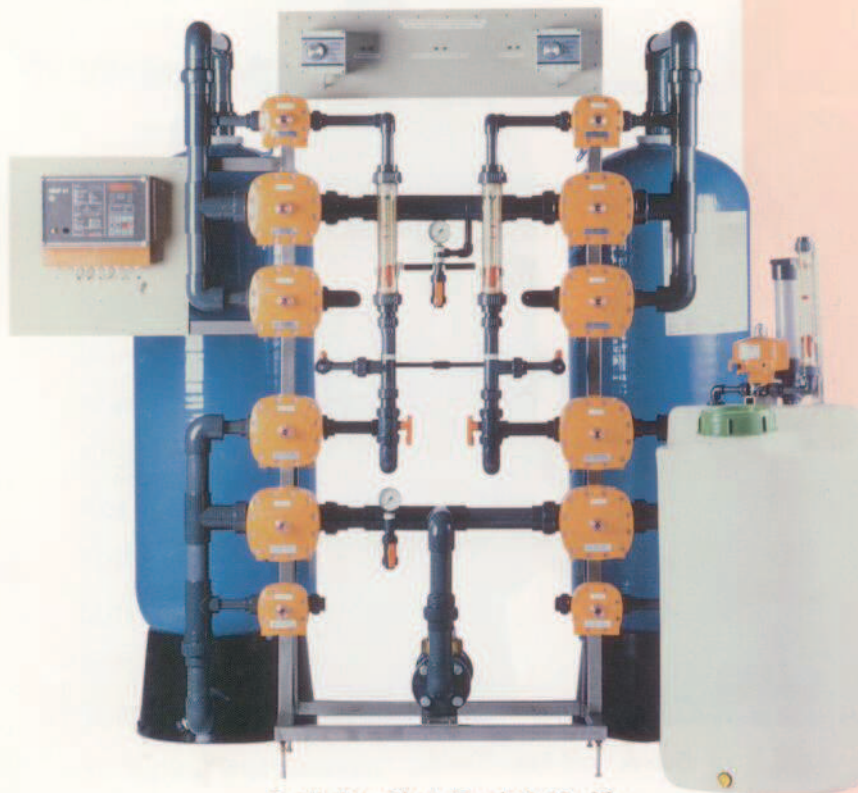

Sand Filter 10m<sup>3</sup>/h

Duplex Sand Filter 20m<sup>3</sup>/h

Activated Carbonfilter 10m<sup>3</sup>/h

Dealkalizer Plant (Duplex) 10m<sup>3</sup>/h

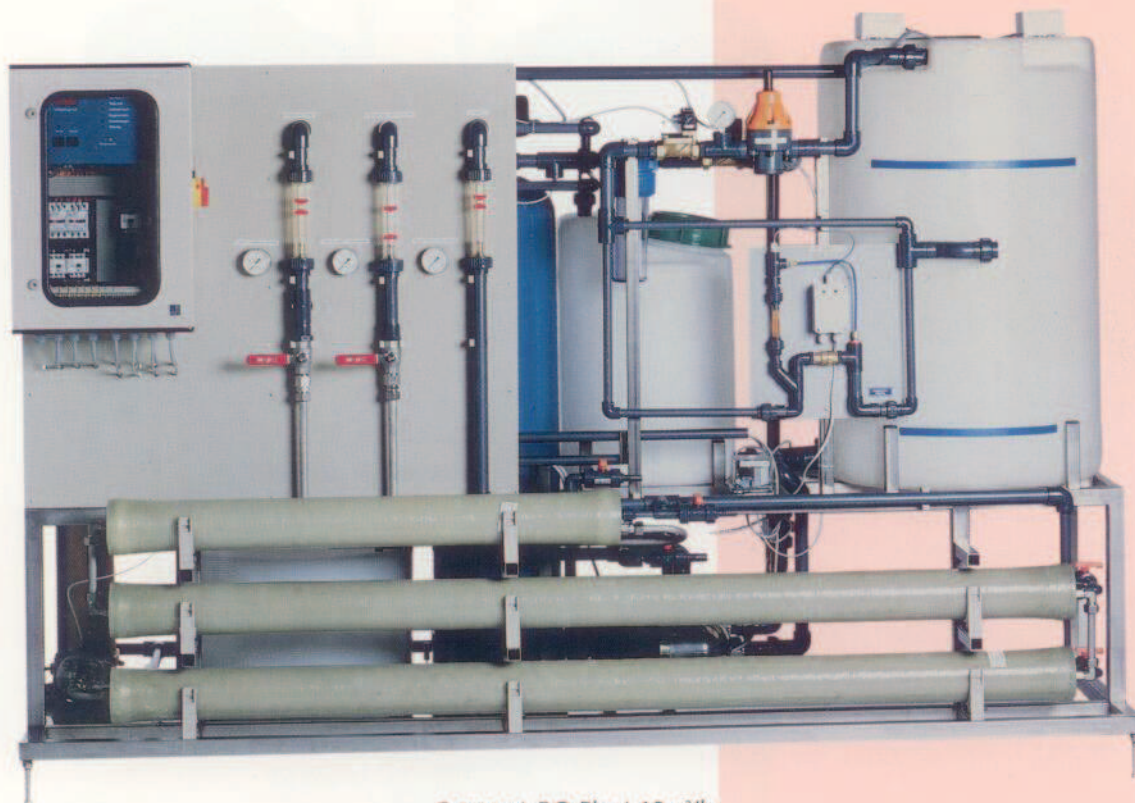

Amberpack Softner 60m<sup>3</sup>/h

RO Plant 2m<sup>3</sup>/h

RO Plant 5m<sup>3</sup>/h

Compact-RO Plant 10m<sup>3</sup>/h

RO Unit 20m<sup>3</sup>/h

**D**emineralizer Control Panels  
Demineralization Instruments  
**L**aboratory Demineralizers  
**M**anual Demineralizers

### **13. Galvanik Watertreatment Plants**

---

### **14. Sugar Industry Demineralizers**

---

### **15. Food Grade Demineralizers**

---

### **16. Ultra Pure Water Demineralizers**

---

### **17. Mixed Bed Deionizers**

---

### **18. Condensate Polishing**

---

**C**omplete System for Cross Flow Filtration  
**M**icro Filtration

### **19. Nano Filtration**

---

**C**ommercial  
**D**omestic  
**I**ndustrial

### **20. Ultra-Filtration**

---

**C**ommercial  
**I**ndustrial  
**P**ilot Plants  
**W**aste Water

### **21. Reverse Osmosis**

---

**C**ommercial RO  
**C**ounter Top RO  
**D**esalination RO  
**D**ialysis RO  
**D**istillers RO  
**D**rinking Water RO  
**I**ndustrial RO  
**L**aboratory RO  
**P**ilot Plants  
**R**O Control Panels  
**R**O Instruments  
**R**O Membranes (Hydranautics)  
**R**O Membrane Cleaning Chemicals (Houseman)  
**U**ltra Pure Water RO  
**W**aste Water RO

### **22. Systems for complete Bottling Plants**

---

Filtration, Softeners, RO Plants, Ozon, Bottle, Washer, Filler and Capper

*Contact us for more details.*

### **23. Dosing Plants**

---

**B**acteria Removal  
**B**oiler Feedwater Chemicals  
**C**hemical Dosing  
**C**hlorine Dosing  
**C**ooling Water Chemicals  
**C**orrosion Inhibitor

Desinfections Dosing  
Drinking Water Chemicals  
Dosing Control Panels  
Dosing Instruments  
Dosing Components  
Industrial Dosing Plants  
Laboratory Dosing Plants  
pH Neutralizer Dosing Plants  
Swimming Pool Chemicals

#### **24. Contact Water Meters**

#### **25. Ozone Systems**

#### **26. UV Systems**

Domestic  
Industrial  
Waste Water
